Aerosolutions Interior Cleaner can be used in passenger and employee areas, seating, rest rooms, walls, doors, handles, flooring... anywhere dirt and germs build up.

Aerosolutions Interior Cleaner is powered by patented microbe technology known as Xtreme. A colorless, odorless broad spectrum deodorizer and detergent. Xtreme provides 1.1 trillion colony forming units per gallon. Microbes are enclosed in a sheath to protect them from chlorine, sanitizer and heat, which easily kill unbound microbes.

Check with your Cleanse It All representative for a full lab report of the bacteria, pathogens and viruses that Xtreme has been tested and proven to destroy. EPA registration pending.
