

Cleanse It All's products are technologically superior to other cleansers on the market. Incredible cleaning power combined with stringent approvals from the FDA, DOT, USDA and leading equipment manufacturers make our products unique in the marketplace.

BENEFITS:

- Patented and powerful technology works on the toughest cleaning assignments
- Triple zero Hazardous Materials Information System score
- 100% biodegradable
- Meets the stringent direct release guidelines for 10 day biodegradation
- Non-regulated by the D.O.T., TDG, IMO and IATA
- Non-fuming, non-skin irritant, non-corrosive, non-mutagenic
- Exceed OSHA inhalation requirement (29 CFR 1910.1200)
- No potential for the generation of carbon dioxide under NIOSH 7903, OSHA & ACGIH testing protocol
- Meets USDA authorizations codes A1, A2, A3, A4, A7, A8, C1, C2, G6 and G7
- Exceeds DEP restrictions regulating NPDES (National Pollutant Discharge Elimination Systems)
- FDA approved as safe (GRAS), (CGMP) CFR 184.1923.
- Many of our products are approved by the U.S. Military
- Torque truck washes are guaranteed by Mack and Volvo trucks to not void your paint warranty
- Free of dyes, perfumes and preservatives

ADVANTAGES:

- Patented and powerful technology works on the toughest cleaning assignments
- Potential cost savings by complying with environmental regulations or avoiding fines
- Protecting your workforce from harsh chemicals may increase days worked, reduce Worker's Compensation Claims, and improve employee moral
- Protecting your equipment from harsh chemicals may increase useful life and reduce repair costs
- Potentially eliminates the need for expensive post-cleaning water catchment systems
- Reduces the environmental impact of cleaning solutions
- Potential cost savings by using highly concentrated solutions that allow for dilution of the product to suit specific tasks
- Improves productivity by eliminating tedious and time-consuming multi-step cleaning processes
- Keeps your equipment in top condition
- Generate positive public perception by implementing environmentally friendly practices

Simply put, you cannot buy a safer product for your personnel, equipment, and the environment.

Cleanse It All, LLC (CIA) is a direct distributor of EMS, Environmental Manufacturing Solutions, LLC. EMS is the manufacturer of all products marketed by CIA and listed on our website. EMS carries all U.S. related certifications, approvals and registration of the individual products.
